

CORPORATE CAPABILITIES

Defense & Aerospace
SUPPLY CHAIN PARTNER

WE KNOW

THE PARTS

Accurate and reliable data on more than 125 million part numbers

WE KNOW

THE PLATFORMS

Expertly supporting over 2000 Weapons Systems and Platforms

WE KNOW

THE SOURCES

Actively Engaged with more than 12,000 Qualified Suppliers

ISO Group delivers quality supply chain solutions that enhance operational readiness for over 2,000 weapons systems and platforms.

At the heart of our operation is our Defense Logistics Management System (DLMS®), a proprietary database of over 125 million part numbers and 12,000 certified suppliers. The DLMS utilizes supply chain analytics to provide comprehensive solutions for complex and diverse bill of material requirements, creating efficient and reliable supply chains.

We know the parts, the platforms, and the sources, couple that with our in-depth knowledge of the industry, our strict quality control standards, and then add our global reach to complete the package. You can see why ISO Group will become your Supply Chain Partner.
